

Which face-to-face exam session do I enrol in?

If you know of a private venue and would like your exams to be held there, it is the enrollers responsibility to contact the venue owner, seek permission for the exams to be held at their venue and ask for their venue code. This venue code will be required when enrolling.

If you are enrolling students into grades P Plate to Grade 7 and do not know of a private venue, we suggest that you enrol in Series 20 Video Repertoire session where you will be guaranteed of having an exam this year.

AMEB (NSW) can provide venue codes to venue owners ONLY.
